The bitter fight between Hardin and Goebel is causing many of their friends to desert them, at least such is the case here. It is now thought that Casey will instruct for Stone instead of Hardin, which seemed certain a few weeks T. S. B. ago.

The Liberty pike has lately been treated with a much needed coat of gravel

Capt. Green delivered two eloquent discourses Sunday and Sunday night at the Baptist church to good sized audiences. The captain will move to

Midaleburg next week. Two Mormons have been preaching in Casey county for the past year or more, but it seems with little or no success. Their last meetings have been

at Turkey Knob. Should Senator Goebel come out triumphant at Louisville, the followers of Stone and Hardin will have one consolation-that we will have a good governor, who will wisely administer af-

The following young ladies and gentlemen from this neck will take the examination at Liberty Friday and Saturday: Misses Lula Adams, Jessie Bryant and Bessie Fogle; Messrs. O. R. Jones, J. R. Staton, Dudley Wesley and Klarentz Kolmon.

Some mention was made in the I. J a couple of weeks ago as to the candi. dacy of our fellow-citizen and townsman, G. R. Jeter, for representative. The party in this part of the county is a unit for him, and as it is Casey's turn to name the man, she will no doubt name Mr. Jeter, who is one of the very few who can poll the entire democratic vote and scare the rads to death (as he did last fall) by making inroads in that party.

Mrs. Mollie Durham and son, Brack, are visiting relatives in Lancaster and Danville. Theo. Wesley and wife, of McKinney, visited Dr. Wesley and family Saturday and Sunday. Miss Sallie Scott, of Perryville, has been visiting friends and relatives in Middleburg and Lanhamtown the past few days. Miss Lizzie Culton is visiting Miss Mary Lucas. George R. Jeter attended the State meeting of the Knights of Maccabees at Frankfort and was elected State sentinel. Dr. L. J. Godbey is attending the medical meeting at Louisville this week. Misses Lunar and Nora Lucas, of Van Alstyne, Texas, are visiting relatives in this section. Thomas Vickery, who was taken to Lakeland Asylum a few weeks ago, is back home and as well as ever. Milton Jones has moved to his newly erected cottage.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials tree.

All the training he ever had in his jife would not amount to six months. He obtained his record when a four-year-old over a muddy track at New Albany, Ind., hitched to an old fashioned high wheeled sulky against a field of aged horses. He won the race in three straight heats. He's very levey headed, afraid of nothing. He is a show horse as well as a trotter.
